

## 50 PHONY ARGUMENTS

(Continued from Page 1, Column 3)

The Jews are superior in intelligence to the White Race and therefore are entitled to have control over us.

**Correction:** The Jews are inferior to the White Race in intelligence and in creativity. They have achieved their tremendous power through conspiracy, bribery, theft, murder, lies, tenacity, and above all, by banding together in their fanatic hatred toward the White race.

Wouldn't it be easier to fight the communists rather than confuse the issue by dragging in the Jewish religion?

**Correction:** Since communism is a Jewish creation clearly spelled out in the Talmud, we can hardly defeat it without exposing its Jewish origin. Communism is merely a smoke screen for the Jewish conspiracy. Communism was conceived by the Jews, is financed by the Jews, and is ruthlessly being carried out according to plan for Jewish world control.

Why should the Jews want to destroy this country when they already own most of the wealth? Wouldn't they be worse off than they are now?

**Correction:** Perhaps, but it is the nature of a parasite to feed upon the host regardless of the consequences. If this kills the host the parasite moves on to a new victim.

By attacking the Jews you are stirring up hatred between the Jews and the Christians. This is exactly what the communists want you to do. Just like they want to promote dissension between Protestants and Catholics, between Germans and Englishmen, between management and labor.

**Ans.** The Jews instigate hatred and exploit as many differences as they possibly can to weaken the Gentile White Christian. The one group that they make sure will not be attacked is the instigators themselves — the Jews, the real culprit. To quote Marcus Eli, a Jew, "Our tribal customs have become the core of your moral code. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only the Russian, but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. No one can tell how long we shall go on doing it. . . . We still dominate you. At this moment your churches are torn asunder by civil war between Fundamentalists and Modernists."

It is dangerous to attack the Jews. They will kill you.

**Correction:** They are more likely to kill you if you don't. The best defense is attack.

Can you prove that the Protocols of the Learned Elders of Zion are not forgeries?

**Ans.** Mr. Henry Ford I, one of our greatest Americans said in 1921: "The only statement I care to make about the Protocols is that they fit in with what is going on . . . They have fitted the world situation up to this time, They fit it now." Today, nearly 50 years later it is overwhelmingly evident — even to the man on the street, that the program of the Protocols is being ruthlessly carried out to the letter and no other group fits the conspiracy but the International Jew.

If you attack the Jews you are a bigot, a racist, a Nazi.

**Correction:** The Jews are the aggressors bent on our destruction. When Gentiles resist, the Jews seek to frighten them with pre-conditioned smear words designed to trigger hate and ridicule. No one is more racist than the Jews, as is clearly demonstrated by the extremely racist laws of the state of Israel.

I have some dear friends who are Jews and I don't want to do anything to offend them.

## THE ENEMY WITHIN

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears no traitor; he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of a city; he infects the body politic so that it can no longer resist. a murderer is less to be feared."

— CICERO.

## ADVICE...

"When a society is perishing, the true advice to give to those who would restore it, is to recall it to the principles from which it sprang."

— LEO XIII.

**Ans.** These same Jews study their Hebrew bible (The Talmud) which portrays the Virgin Mary as a harlot, and the father of our Saviour as a Roman soldier. The Talmud does more than just offend Christians. It is a blue print for the destruction of Christianity.

It is dangerous to hand out anti-Jewish literature. You never know when you might be handing it to a Jew.

**Correction:** The Jews have been handing out violently anti-white, anti-Christian hate literature for years and they seem to have survived.

Let's stick to the issues rather than attacking anyone on a racial or religious basis.

**Ans.** Right. And the issue is: will Jewish communism triumph or will White Christian civilization survive?

Now that the Jews have established their own homeland in Israel we won't have to worry about them anymore.

**Correction:** A. Since American Jews owe their first allegiance to Israel they are now plotting to involve the U.S. in a Middle East war against the Arabs in support of a Jewish war of conquest to seize the oil rich lands of the Middle East.

B. The Jews envision Israel as the seat of power for the coming Jewish world government.

C. The Israeli budget is 70% handouts, mostly from the U.S. and 30% from the sale of tax deductible, but worthless Israeli bonds, peddled almost exclusively in the U.S.

D. Since the establishment of Israel the Jews' world-wide power has increased tremendously and they are now more dangerous than ever.

If the Jews push race mixing, won't they also destroy their own race by mongrelization?

**Correction:** The Jews push race mixing between blacks and white people with great zeal, but they fanatically oppose any Jewish race mixing. England's Chief Rabbi, Immanuel Jakobovits recently made a visit to New York, and in point blank terms declared, "Jewish teen-agers shouldn't date non-Jews . . . Interfaith marriage is something we view with horror, almost as apostasy. For Jews the problem of inter-

marriage is the problem of sheer survival. Countless Jewish martyrs did not die for their faith so that we might fritter away our heritage."

If the Jews push birth control won't they destroy their own race?

**Correction:** The Jews encourage large Jew families and large black families. They promote the proliferation of the colored races at the expense of the white race all over the world. The Jews like to see small white families with both husband and wife working to support large black families.

If you attack a racial group like the Jews you are guilty of genocide.

**Correction:** The Jews invented genocide. Read Joshua, Chapter 10. Their plan of genocide for the white race embraces a program of mongrelization, annihilation and degeneration. (M.A.D.)

Well, aren't the Jewish and Christian religions very similar?

**Correction:** No, they are diametrically opposed. The Christians praise God and mourn the suffering of Christ on the cross. The Jew praises the power and the glory of the Jew here on earth and mourns the suffering of the Jew here on earth. While the Christians celebrate the birth of Christ (Christmas) the Jews celebrate the slaughter of their enemies, Feast of Purim, the Book of Esther.

Don't we have a common religious heritage with the Jews?

**Correction:** When Christ preached the Gospel the White Gentiles accepted His teachings and were converted to Christianity. The colored Gentiles rejected Christianity and founded other religions such as Moslem, Hindu, Buddhism, Shintoism, voodoo, black magic, etc. The Jew has not only rejected Christianity but has fanatically pursued the destruction of Christianity as a prime goal for the last 2000 years.

Well, you can't blame the Jews for the Negro racial problem in the U.S.

**Correction:** Yes, we can. The Jewish slave traders were the prime instigators in bringing the blacks to America in the first place. Trading in slaves has historically been monopolized by the Jews. Having brought them to America they then proceeded to promote mongrelization — as set forth in the Talmud — to pump the black blood of Africa into the veins of white America.

What do you want to do, send all the Negroes back to Africa?

**Answer:** Exactly. The Negro leadership in the U.S. says it was cruel to bring the Negroes over here in the first place; that they have been badly treated ever since they got here. So we believe the natural solution to this problem is to send them back to Africa. We don't feel it is cruel to send a Negro back to his homeland. We are faced with two choices: either the Negro is repatriated to Africa, or the white race will be reduced to a mongrel race in America. God's finest creation, the white race, will disappear from the face of the earth and with it western civilization.

If he didn't kill six million Jews, why do the Jews hate Hitler with such vehemence?

**Answer:** The Jews hate Hitler principally because (1) He drove the Jewish-Marxist Communists from power in Germany and expelled many from its borders. (2) He drove the international Jewish bankers out of the German monetary system and gave the people interest-free and debt-free money. (3) He made the German people conscious of the value of the white race. (4) He helped General Franco successfully drive the Jewish Marxists out of Spain — an achievement still in existence today. (5) He almost succeeded in purging Russia of Jewish Communist control, and would have succeeded but for U.S. intervention at the instigation of International Jewry. By contrast, the U.S., after spending 279 billion dollars, hasn't even made a dent in what Hitler almost succeeded in doing in two years.
